

# Make great profits with the Ceado #juicebusiness

**Freshly squeezed juice** generates more profit than bottled juice.

*Il **succo fresco** genera più profitti rispetto al succo in bottiglia.*

## Fast Profits

**Juices per day**

**Return on investment**

**Business target**

**8 weeks**

**Entry Level**

**4 weeks**

**Small Bar**

**2 weeks**

**Medium Juice Bar**

By selling only 10 juices per day, your investment is recovered in just 8 weeks. In a medium Juice Bar with 30 juices per day, **you can start looking at its profits** in just about 2 weeks!

*Con solo 10 succhi al giorno rientri dall'investimento in appena 8 settimane. In un Juice Bar medio con 30 succhi al giorno, **puoi iniziare a realizzare profitti** in sole 2 settimane!*

## Healthy Lifestyle

The market is looking more and more toward natural and healthy beverages. Ceado **Juice Fit** technology extracts the juice at low temperature, therefore preserving all natural vitamins.

*Il mercato richiede sempre più bevande naturali e salutari, la tecnologia **Juice Fit** di Ceado estrae il succo a bassa temperatura preservando tutte le vitamine naturali.*

# EASY RECIPES!

The necessary **ingredients** are few and inexpensive, making it easy to mix them in order to produce lots of recipes.

*Gli **ingredienti** necessari sono pochi e poco costosi, rendendo facile mescolarli per produrre molte ricette.*

200gr **Apple**, 200gr **Carrots**,  
2cm **Ginger Root**, 100gr **Leafy  
Greens**

Fruit juices described here are the most requested and profitable, but with **Ceado Barcult Juicers**, many other recipes are available. We recommend using seasonal produce, locally grown.

*I succhi freschi descritti sono i più richiesti e redditizi, ma con i **Juicers Ceado Barcult** sono realizzabili tante altre ricette. Consigliamo i prodotti di stagione e a km zero.*

**1 serving 300ml**

**ceado**
